Description

Donation Rewards

Program Description

On the occasion of World Blood Donor Day, Ram has organized an event to reward regular blood donars in Aditya

- If the donor has made less than or equal to 3 donations, they receive a **BRONZE** donor badge.
- If the donor has made more than 3 but less than equal to 6 donations, they receive a **SILVER** donor badge.
- If the donor has made more than 6 donations, they receive a **GOLD** donor badge.

Given that a person has made X donations, find the badge they receive.

Input Format

A single line of input contains an integer X-denoting the number of blood donations the person has made.

Output Format

Print the output as:

- **BRONZE**, if the person has made less than or equal to 3 donations
- **SILVER**, if the person has made more than 3 but less than equal to 6 donations
- **GOLD**, if the person has made more than 6 donations.
